EASTERN ONTARIO FIRE ACADEMY

Providing quality safety training
throughout eastern Ontario

The Eastern Ontario Fire Academy provides a variety of quality safety training to municipal fire departments, commercial industry and community colleges.

Based in Norwood, Ontario, a small village outside the City of Peterborough, our 20 acre site provides live training units including a search & rescue maze, confined space unit, a three-storey burn tower, flashover unit, survivor unit, shower facilities, education hall, classrooms and a cafeteria.

Our four classrooms can accommodate various sizes of meetings or training. On-site catering is also available.

Depending on your requirements, we offer rentals of the entire facility or book only the training units you need.

Call today to learn how we can facilitate your training requirements!
